Understanding Fees for Aged Care Homes

BASIC DAILY FEE

Everyone pays this fee, which is currently set at \$61.96 per day . The maximum fee is set at 85% of the single basic age pension. This fee increases twice a year in line with the age pension.

MEANS-TESTED CARE FEE

Depending on your means assessment, your provider may ask you to pay a means-tested care fee. This fee is different for everyone. The amount you pay depends on your income and assets and your cost of care. Annual and lifetime caps apply to this fee. To see the caps, go to [Aged care home costs and fees](#) at [myagedcare.gov.au](#).

ACCOMMODATION COSTS

You must agree on an accommodation price with your provider before moving into an aged care home. How much of the agreed amount you pay, if any, will depend on your means assessment. If you are eligible for assistance, the Government will pay some or all of your accommodation costs to your provider. If not, you may need to pay the price that you agreed to with your provider.

You can choose to pay your accommodation costs as:

- a lump sum amount that is refunded when you leave care, less any fees that you agree to draw down from it, or
- a rental-style daily payment which is not refunded when you leave care, or
- any combination of lump sum and daily payment.

If you choose a combination payment, you can choose to draw your daily payment from your paid lump sum. Over time, this will increase your daily payment unless you top up the lump sum. Your provider may also agree to draw other aged care fees from the lump sum, like the basic daily fee.

A lump sum payment is considered an asset for aged care purposes. This means it is counted in your aged care means assessment and may affect your means-tested care fee.

Your provider cannot ask you to commit to an accommodation payment method until you have entered care. You then have 28 days to decide how you will pay. Until you decide, and until you pay a lump sum, you must pay the full daily payment. If you choose to pay by lump sum, you have 6 months after you enter an aged care home to pay the lump sum amount.

WILL MY FEES CHANGE AFTER I ENTER CARE?

Your fees will not remain fixed after signing a resident agreement. They will change over time. To find out more about fees, including current rates, go to [Understanding costs](#) at [myagedcare.gov.au](#).

WHAT IF MY FINANCIAL CIRCUMSTANCES CHANGE?

A change in your financial circumstances may lead to a change to your means-tested care fee or accommodation contribution. Services Australia will tell you, your nominee (if you have one) and your provider if your fees change. If there is a significant change to your income or assets, you should contact Services Australia on 1800 227 475 and request a review of your fees.

Understanding Fees for Residential Respite Care

BOOKING FEE

Your provider may ask you to pay a booking fee to secure a period of respite care in your preferred home. Once you enter the service, your provider will deduct this fee from your daily fees. The booking fee cannot exceed whichever is lower of:

- one week's fee for respite care
- 25% of the fee for the proposed period of respite care

WHAT HAPPENS TO MY BOOKING FEE IF I CANCEL MY RESPITE CARE BOOKING?

If you cancel more than 7 days before your entry date, your provider will refund your full booking fee.

If you cancel less than 7 days before your entry date, your provider can keep all or part of your booking fee. This does not apply in some circumstances, such as if you're admitted to hospital.

WHAT IF I CANNOT AFFORD THE FEES?

You may wish to seek independent financial advice before deciding how to pay for aged care. Services Australia's free [Financial Information Service](#) (FIS) can help you understand how aged care costs may affect your finances. To find out more about FIS or to make an appointment, phone 132 300 and say "Financial Information Service" when prompted.

If you cannot pay your aged care fees due to circumstances outside your control, you can apply for financial hardship assistance. You must meet certain eligibility criteria to receive financial hardship assistance and each case is assessed on an individual basis. Read more about [financial hardship assistance](#) at myagedcare.gov.au.

Frequently Asked Questions

WHAT IS A RAD (REFUNDABLE ACCOMMODATION DEPOSIT)?

A RAD is a refundable lump sum accommodation payment. The care recipient may agree the amount of payment with the approved provider prior to or on entry to the service. The care recipient has 28 days to decide on the method for making the payment.

WHAT IS THE DIFFERENCE BETWEEN A RAD AND A RAC?

The difference between a RAC and a RAD is that a RAC is the term used when a person who is receiving Australian Government assistance with their accommodation costs makes a 'contribution' towards their accommodation costs (with the Australian Government also making a contribution on their behalf).

WHAT IS A DAP (DAILY ACCOMMODATION PAYMENT)?

The Fees and Payments Principles 2014 set out the rules for equivalence between a RAD and a DAP. Section 8 states that an approved provider must ensure equivalence between the RAD and DAP by using the Maximum Permissible Interest Rate (MPIR) applicable or the pricing day.

As an example:

The RAD for a room is \$500,000.00

The MPIR on the day is 8.38%

The DAP is $\$500,000 \times 8.38\% / 365 \text{ days} = \114.79

HOW MUCH CAN A CARE RECIPIENT WHO IS PAYING A RAC CONTRIBUTE TO THE COST OF THEIR ACCOMMODATION?

In the example above, if the facility is deemed newly built (NB) or significantly refurbished (SR) the Care Recipient will contribute \$68.14 and the Government co-contribution is zero.

The Care Recipient will co-contribute \$39.53 towards the costs of Accommodation and, because the facility is deemed newly built or significantly refurbished, the Government will contribute up to the \$68.14, therefore $\$68.14 - \$39.53 = \$28.61$ per day.

WHAT ARE THE MINIMUM PERMISSIBLE ASSETS A PERSON MUST BE LEFT WITH?

Division 52J-5 of the Living Longer Living Better Act 2013 state that a person must be left with minimum assets after paying an accommodation payment. The minister determines the amount of minimum assets by a legislative instrument. As at 20th March 2024, the amount is \$59,500.00.

WHAT IS A RAC?

A RAC is a refundable lump sum accommodation contribution. Like the RAD, the amount of the RAC is agreed with the care recipient prior to or on entry to the service. The care recipient has up to 28 days to decide on the method for making the payment.

As an example:

The Care Recipient has assets of \$201,231.20

The Minimum Permissible Assets the Care Recipient is to be left with is \$59,500.00 (as at 20th March 2024).

Therefore RAC: $\$201,231.20 - \$59,500.00 = \$141,731.20$

DAC: $17.5\% \times 139,235.20 / 364 = \68.14

Another example:

If the Care Recipient has assets of \$120,000.00

The Minimum Permissible Assets the Care Recipient is to be left with is \$59,500.00 (as at 20th March 2024).

Therefore RAC: $\$120,000.00 - \$59,500.00 = \$60,500.00$

DAC: $17.5\% \times \$82,231.20 / 364 = \39.53

WHAT DETERMINES THE PAYMENT OF A RAD OR RAC?

Section 52G of the Living Longer, Living Better Act 2013 sets the rules for when an approved provider may legally charge a RAD or a RAC. In summary: If the person's Means Tested Amount is greater than the maximum Accommodation Supplement, the person may legally be charged a RAD. If the person's Means Tested Amount is lesser than the maximum Accommodation Supplement (\$68.14) as at 20th March 2024 the person may legally be charged a RAC.

DO I HAVE TO PAY AN EXTRA SERVICES FEE?

Belvedere Aged Care is a premium extra services aged care residence. This means that they can provide residents with a higher standard of hotel-type services (including specialised menus, higher quality linen or particular room furnishings). This extra service status applies to the whole home. Some aged care homes with this status can charge a regular extra service fee, which pays for a bundle of extra services. Belvedere Aged Care does not charge an additional extra services fee.

WHERE CAN I GET FINANCIAL ADVICE?

It's beneficial to seek independent financial advice before deciding how to pay for your aged care. Belvedere Aged Care does not provide financial advice. The MyAgedCare website offers guidance on how to find the best financial advice for your individual needs. Visit www.myagedcare.gov.au/financial-support-and-advice to find out more about the different types of financial services and advice available to you.

WHAT PERSONAL ITEMS CAN I BRING IN WITH ME?

Belvedere provides the furniture and furnishings you need, but you can bring your own furniture items, personal items and clothing. To ensure your room is safe and comfortable, speak to us before moving about items you would like to bring in. For OHS purposes, any electrical items brought into the home must adhere testing and tagging requirements.

CAN I TAKE SOCIAL LEAVE?

Residents are entitled to 52 days of social leave in a financial year. Residents can also take extra social leave. However, the Government will not pay the subsidy for those days. To count as social leave, the resident must stay overnight somewhere else such as with family. As an example, a resident can spend every weekend in a year on social leave.
